

CREATING SUSTAINABLE PEACE

conference track

Main Track Themes

- Best Practices & Technologies for Peacemaking
- Conflict Resolution
- Addressing Global Disparity
- Creating a Global Paradigm Shift

How can we create a culture of peace? What contributes to harmonious communities? How do we live in balance with one another? This paradoxical world requires appreciation for diversity, conflict resolution skills and compassion for suffering. This Track will explore values and practices that contribute to a life of dignity, justice and equanimity in an interdependent world.
